

SUMMARY OF GENERAL PURPOSES, COVERAGE LIMITATIONS AND CONSUMER PROTECTION

General Purposes

Residents of the District of Columbia should know that licensed insurers who sell health insurance, life insurance, and annuities in the District of Columbia are members of the District of Columbia Life and Health Insurance Guaranty Association ("Guaranty Association").

The purpose of this Guaranty Association is to provide statutorily-determined benefits associated with covered policies and contracts in the unlikely event that a member insurer is unable to meet its financial obligations and is found by a court of law to be insolvent. When a member insurer is found by a court to be insolvent, the Guaranty Association will assess the other member insurers to satisfy the benefits associated with any outstanding covered claims of persons residing in the District of Columbia. However, the protection provided through the Guaranty Association is subjected to certain statutory limits explained under the "Coverage Limitations" section, below. In some cases, the Guaranty Association may facilitate the reassignment of policies or contracts to other licensed insurance companies to keep the coverage in-force, with no change in contractual rights or benefits.

Coverage

The Guaranty Association, established pursuant to the Life and Health Guaranty Association Act of 1992 ("Act"), effective July 22, 1992 (D.C. Law 9-129; D.C. Official Code §31-5401 *et seq.*), provides insolvency protection for certain types of insurance policies and contracts.

The insolvency protections provided by the Guaranty Association is generally conditioned on a person being 1) a resident of the District of Columbia and 2) the individual insured or owner under a health insurance, life insurance, or annuity contract issued by a member insurer, or insured under a group policy insurance contract issued by a member insurer. Beneficiaries, payees, or assignees of District insureds are also covered under the Act, even if they reside in another state.

Coverage Limitations

The Act also limits the amount the Guaranty Association is obligated to pay. The benefits for which the Guaranty Association may become liable shall be limited to the lesser of:

- The contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer; or
- With respect to any one life, regardless of the number of policies, contracts or certificates:
 - \$300,000 in life insurance death benefits for any one life; including net cash surrender or net cash withdrawal values;
 - \$300,000 in the present value of annuity benefits, including net cash surrender or net cash withdrawal values;
 - \$300,000 in the present value of structured settlement annuity benefits, including net cash surrender or net cash withdrawal values;
 - \$300,000 for long-term care insurance benefits;
 - \$300,000 for disability insurance benefits;
 - \$500,000 for basic hospital, medical, and surgical insurance, or major medical insurance benefits;
 - \$100,000 for coverage not defined as disability insurance, or basic hospital, medical and surgical insurance or major medical insurance or long-term care insurance including any net cash surrender and net cash withdrawal values.

In no event is the Guaranty Association liable for more than \$300,000 in benefits with respect to any one life (\$500,000 in the event of basic hospital, medical and surgical insurance or major medical insurance).

Additionally, the Guaranty Association is not obligated to cover more than \$5,000,000 for multiple non-group policies of life insurance with one owner regardless of the number of policies owned.

Exclusions Examples

Policies or contract holders are not protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was domiciled in a state whose guaranty association law protects insureds that live outside of that state);
- Their insurer was not authorized to do business in the District of Columbia; or
- Their policy was issued by a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, a non-profit hospital or medical service organization, a health maintenance organization, or a risk retention group.

The Guaranty Association also does not cover:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Any plan or program of an employer or association that provides life, health or annuity benefits to its employees or members and is self-funded;
- Interest rate guarantees which exceed certain statutory limitations;
- Dividends, experience rating credits or fees for services in connection with a policy;
- Credits given in connection with the administration of a policy by a group contract holder; or
- Unallocated annuity contracts.

CONTINUITY OF COVERAGE

If your Disability is subject to the Preexisting Condition Exclusion or Preexisting Condition Limitation, LTD Benefits will be payable if:

For such a Disability, the amount of your LTD Benefit will be the lesser of:

- a. The monthly benefit that would have been payable under the terms of the Prior Plan if it had remained in force; or

5. In no event will insurance be retroactive.

LT.RE.OT.2

DEFINITION OF DISABILITY

You are Disabled if you meet the following definitions during the periods they apply:

- A. Own Occupation Definition Of Disability.
- B. Any Occupation Definition Of Disability.

A. Own Occupation Definition Of Disability

During the Benefit Waiting Period and the Own Occupation Period you are required to be Disabled only from your Own Occupation.

You are Disabled from your Own Occupation if, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder:

1. You are unable to perform with reasonable continuity the Material Duties of your Own Occupation; and
2. You suffer a loss of at least 20% in your Indexed Predisability Earnings when working in your Own Occupation.

Note: You are not Disabled merely because your right to perform your Own Occupation is restricted, including a restriction or loss of license.

During the Own Occupation Period you may work in another occupation while you meet the Own Occupation Definition Of Disability. However, you will no longer be Disabled when your Work Earnings from another occupation meet or exceed 80% of your Indexed Predisability Earnings. Your Work Earnings may be Deductible Income. See **Return To Work Provisions** and **Deductible Income**.

Own Occupation means any employment, business, trade, profession, calling or vocation that involves Material Duties of the same general character as the occupation you are regularly performing for your Employer when Disability begins. In determining your Own Occupation, we are not limited to looking at the way you perform your job for your Employer, but we may also look at the way the occupation is generally performed in the national economy.

Material Duties means the essential tasks, functions and operations, and the skills, abilities, knowledge, training and experience, generally required by employers from those engaged in a particular occupation that cannot be reasonably modified or omitted. In no event will we consider working an average of more than 40 hours per week to be a Material Duty.

B. Any Occupation Definition Of Disability

During the Any Occupation Period you are required to be Disabled from all occupations.

You are Disabled from all occupations if, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to perform with reasonable continuity the Material Duties of Any Occupation.

Any Occupation means any occupation or employment which you are able to perform, whether due to education, training, or experience, which is available at one or more locations in the national economy and in which you can be expected to earn at least 60% of your Indexed Predisability Earnings within twelve months following your return to work, regardless of whether you are working in that or any other occupation.

Material Duties means the essential tasks, functions and operations, and the skills, abilities, knowledge, training and experience, generally required by employers from those engaged in a particular occupation that cannot be reasonably modified or omitted. In no event will we consider working an average of more than 40 hours per week to be a Material Duty.

Your Own Occupation Period and Any Occupation Period are shown in the **Coverage Features**.

(OWNOCC_ANY_WITH 40) LT.DD.OT.1

RETURN TO WORK PROVISIONS

A. Return To Work Responsibility

During the Own Occupation Period no LTD Benefits will be paid for any period when you are able to work in your Own Occupation and able to earn at least 20% of your Indexed Predisability Earnings, but you elect not to work.

During the Any Occupation Period no LTD Benefits will be paid for any period when you are able to work in Any Occupation and able to earn at least 20% of your Indexed Predisability Earnings, but you elect not to work.

B. Return To Work Incentive

You may serve your Benefit Waiting Period while working if you meet the Own Occupation Definition Of Disability.

You are eligible for the Return To Work Incentive on the first day you work after the Benefit Waiting Period if LTD Benefits are payable on that date. The Return To Work Incentive changes 12 months after that date, as follows:

1. During the first 12 months, your Work Earnings will be Deductible Income as determined in a., b. and c:
 - a. Determine the amount of your LTD Benefit as if there were no Deductible Income, and add your Work Earnings to that amount.
 - b. Determine 100% of your Indexed Predisability Earnings.
 - c. If a. is greater than b., the difference will be Deductible Income.
2. After those first 12 months, 50% of your Work Earnings will be Deductible Income.

C. Work Earnings Definition

Work Earnings means your gross monthly earnings from work you perform while Disabled, plus the earnings you could receive if you worked as much as you are able to, considering your Disability, in work that is reasonably available:

- a. In your Own Occupation during the Own Occupation Period; and
- b. In Any Occupation during the Any Occupation Period.

Work Earnings includes earnings from your Employer, any other employer, or self-employment, and any sick pay, vacation pay, annual or personal leave pay or other salary continuation earned or accrued while working.

Earnings from work you perform will be included in Work Earnings when you have the right to receive them. If you are paid in a lump sum or on a basis other than monthly, we will prorate your Work Earnings over the period of time to which they apply. If no period of time is stated, we will use a reasonable one.

In determining your Work Earnings we:

1. Will use the financial accounting method you use for income tax purposes, if you use that method on a consistent basis.
2. Will not be limited to the taxable income you report to the Internal Revenue Service.
3. May ignore expenses under section 179 of the IRC as a deduction from your gross earnings.
4. May ignore depreciation as a deduction from your gross earnings.
5. May adjust the financial information you give us in order to clearly reflect your Work Earnings.

If we determine that your earnings vary substantially from month to month, we may determine your Work Earnings by averaging your earnings over the most recent three-month period. During the Own Occupation Period you will no longer be Disabled when your average Work Earnings over the last three months exceed 80% of your Indexed Predisability Earnings. During the Any Occupation Period you will no longer be Disabled when your average Work Earnings over the last three months exceed 60% of your Indexed Predisability Earnings.

LT.RW.OT.1

REASONABLE ACCOMMODATION EXPENSE BENEFIT

If you return to work in any occupation for any employer, not including self-employment, as a result of a reasonable accommodation made by such employer, we will pay that employer a Reasonable Accommodation Expense Benefit of up to \$25,000, but not to exceed the expenses incurred.

The Reasonable Accommodation Expense Benefit is payable only if the reasonable accommodation is approved by us in writing prior to its implementation.

LT.RA.OT.1

REHABILITATION PLAN PROVISION

While you are Disabled you may qualify to participate in a Rehabilitation Plan. Rehabilitation Plan means a written plan, program or course of vocational training or education that is intended to prepare you to return to work.

To participate in a Rehabilitation Plan you must apply on our forms or in a letter to us. The terms, conditions and objectives of the plan must be accepted by you and approved by us in advance. We have the sole discretion to approve your Rehabilitation Plan.

While you are participating in an approved Rehabilitation Plan, your LTD Benefit will be increased by 10% of your Predisability Earnings. Your LTD Benefit may not exceed the Maximum LTD Benefit shown in the **Coverage Features** as a result of this increase.

An approved Rehabilitation Plan may include our payment of some or all of the expenses you incur in connection with the plan, including:

- a. Training and education expenses.
- b. Family care expenses.
- c. Job-related expenses.
- d. Job search expenses.

(WITH REHAB INC BFT) LT.RH.OT.1

TEMPORARY RECOVERY

You may temporarily recover from your Disability and then become Disabled again from the same cause or causes without having to serve a new Benefit Waiting Period. Temporary Recovery means you cease to be Disabled for no longer than the applicable Allowable Period. See **Definition Of Disability**.

A. Allowable Periods

1. During the Benefit Waiting Period: a total of 90 days of recovery.
2. During the Maximum Benefit Period: 180 days for each period of recovery.

B. Effect Of Temporary Recovery

If your Temporary Recovery does not exceed the Allowable Periods, the following will apply.

1. The Predisability Earnings used to determine your LTD Benefit will not change.
2. The period of Temporary Recovery will not count toward your Benefit Waiting Period, your Maximum Benefit Period or your Own Occupation Period.
3. No LTD Benefits will be payable for the period of Temporary Recovery.
4. No LTD Benefits will be payable after benefits become payable to you under any other disability insurance plan under which you become insured during your period of Temporary Recovery.
5. Except as stated above, the provisions of the Group Policy will be applied as if there had been no interruption of your Disability.

(NEW TR PERIOD) LT.TR.OT.1

WHEN LTD BENEFITS END

Your LTD Benefits end automatically on the earliest of:

1. The date you are no longer Disabled.
2. The date your Maximum Benefit Period ends unless LTD Benefits are continued by the Lifetime Security Benefit. See **Lifetime Security Benefit**.
3. The date you die.
4. The date benefits become payable under any other LTD plan under which you become insured through employment during a period of Temporary Recovery.
5. The date you fail to provide proof of continued Disability and entitlement to LTD Benefits.

LT.BE.OT.1

PREDISABILITY EARNINGS

Predisability Earnings means gross salary or wages you were earning from the Employer on your last day of active work, as reflected by the premium reported on your behalf. We calculate this amount on a monthly basis. However, if you experience a reduction in work hours during an Employer-designated temporary furlough/shutdown period, your Predisability Earnings will be based on your last reported earnings in effect prior to your last full day of Active Work preceding the temporary furlough/shutdown period.

(BASE_NO STOCK) LT.PD.OT.1

DEDUCTIBLE INCOME

Subject to **Exceptions To Deductible Income**, Deductible Income means:

1. Sick pay, personal time off (PTO), annual or personal leave pay, severance pay, or other salary continuation, including donated amounts, paid to you by your Employer.
2. Your Work Earnings, as described in the **Return To Work Provisions**.

If you are paid Deductible Income in a lump sum or by a method other than monthly, we will determine your LTD Benefit using a prorated amount. We will use the period of time to which the Deductible Income applies. If no period of time is stated, we will use a reasonable one.

B. Your Duty To Pursue Deductible Income

You must pursue Deductible Income for which you may be eligible. We may ask for written documentation of your pursuit of Deductible Income. You must provide it within 60 days after we mail you our request. Otherwise, we may reduce your LTD Benefits by the amount we estimate you would be eligible to receive upon proper pursuit of the Deductible Income.

C. Pending Deductible Income

We will not deduct pending Deductible Income until it becomes payable. You must notify us of the amount of the Deductible Income when it is approved. You must repay us for the resulting overpayment of your claim.

You must avoid doing anything that would prejudice our rights of subrogation.

reasonable attorney fees. If suit or action is filed, we may record a notice of payments of LTD Benefits, and such notice shall constitute a lien on any judgment recovered.

If you or your legal representative fail to bring suit or action promptly against such third party, we may institute such suit or action in our name or in your name. We are entitled to retain from any judgment recovered the amount of LTD Benefits paid or to be paid to you or on your behalf, together with our costs of recovery, including attorney fees.
